## Section IV: Consensus Statements on the Assessment and Management of Pediatric Atopic Dermatitis”

Lansang P, Lara-Corrales I, Bergman JN, et al. Approach to the assessment and management of pediatric patients with atopic dermatitis: a consensus document. Section IV: consensus statements on the assessment and management of pediatric atopic dermatitis. *J Cutan Med Surg*. 2019;23(suppl 5):32S-39S.

On page 36S of this article under “Treatment Options for Pediatric AD,” the paragraph beginning “There was strong consensus” is incorrectly duplicated. The second instance of this paragraph should not have been included.
